

# MITCH IVIN

## Graphic Designer

Multidisciplinary designer with a builder mindset and ruthless attention to detail. My lifelong passion for sport taught me what stays with people; the moments that matter. I create sharp, memorable work across social, motion, and web.

## Work Experience

### Freelance Graphic Designer

2023 - Present

#### Remote

- Produced high-resolution, multi-screen stage packages and timed player-entrances for rugby luncheons; delivered playback-ready files for varied venue screen setups.
- Provide ongoing front-end UI development for KeepTheScore: code pixel-accurate, responsive scoreboard components from static designs for live games.
- Built a custom desktop-style portfolio to explore how AI can be used to extend my capabilities in design.

### Setup & Logistics Leader

2015 - 2022

#### Brisbane City Hall

- Managed end-to-end event setup, ensuring all logistics met a high standard throughout.
- Coordinated teams and adapted quickly to last-minute changes to maintain seamless delivery.
